# Expansion of AFP Advocacy

- ❑ **Prevention of early pregnancies at school** →  
development of RH modules in the curricula for the training of students ;
- ❑ **Community scale-up** of Sayana Press in Burkina Faso
- ❑ **Addressing the needs of young people** in the FP 2013-2015 evaluation and in the preparation of the plan to accelerate FP 2017-2020 in Burkina Faso.

# Key Advocacy Gains

## National

- ❑ **Effective start of task-sharing** in Two health districts → launched by the Ministry of Health in October 2016 in Dandé;
- ❑ **Existence of RH module** for both primary and post-primary teachers → **February 2017.**
- ❑ **Effective consideration of young people** in the evaluation of the FP 2013-2015 plan;

## Subnational

- ❑ **Effective allocation** of financial resources for RH / FP services by mayors for women in their municipalities since → **September 2015;**
- Commitment of new mayors** in making FP a priority in their Communal Development Plans during the transition → **October 2016.**
- ❑ **Effective participation of young people** in the drafting process of the **acceleration plan for FP in Burkina, 2017-2020.**

# From Advocacy Wins to Impact

- ❑ **Capacity building** for **80** frontline health workers and 230 CHWs on FP services;
- ❑ **Easy access fo FP/RH services** for many women from the two pilot beneficiary districts;
- ❑ **Continued focus on FP** in community development plans and creation of specific FP budget lines in their annual investment plans;
- ❑ **Access for young people to FP services** through a key axis on youth in the FP 2017-2020 acceleration plan.

# Advancing and Sustaining FP Advocacy in Burkina Faso

- ❑ Continuous strengthening of advocacy capacities for local stakeholders through the mainstreaming of the AFP SMART approach;
- ❑ Sufficient financial resources to conduct and monitor advocacy activities at the national and subnational levels;
- ❑ Strengthen collaboration and sharing of scientific evidence produced by PMA2020 on RH / FP with key stakeholders ;
- ❑ Sharing experiences and opportunities for advocacy between actors through a North-South coordination and exchange framework;
