Sustaining Advocacy

JHCCP, Yayasan Cipta
April 2019

AFP in Indonesia

Implementing Partners:

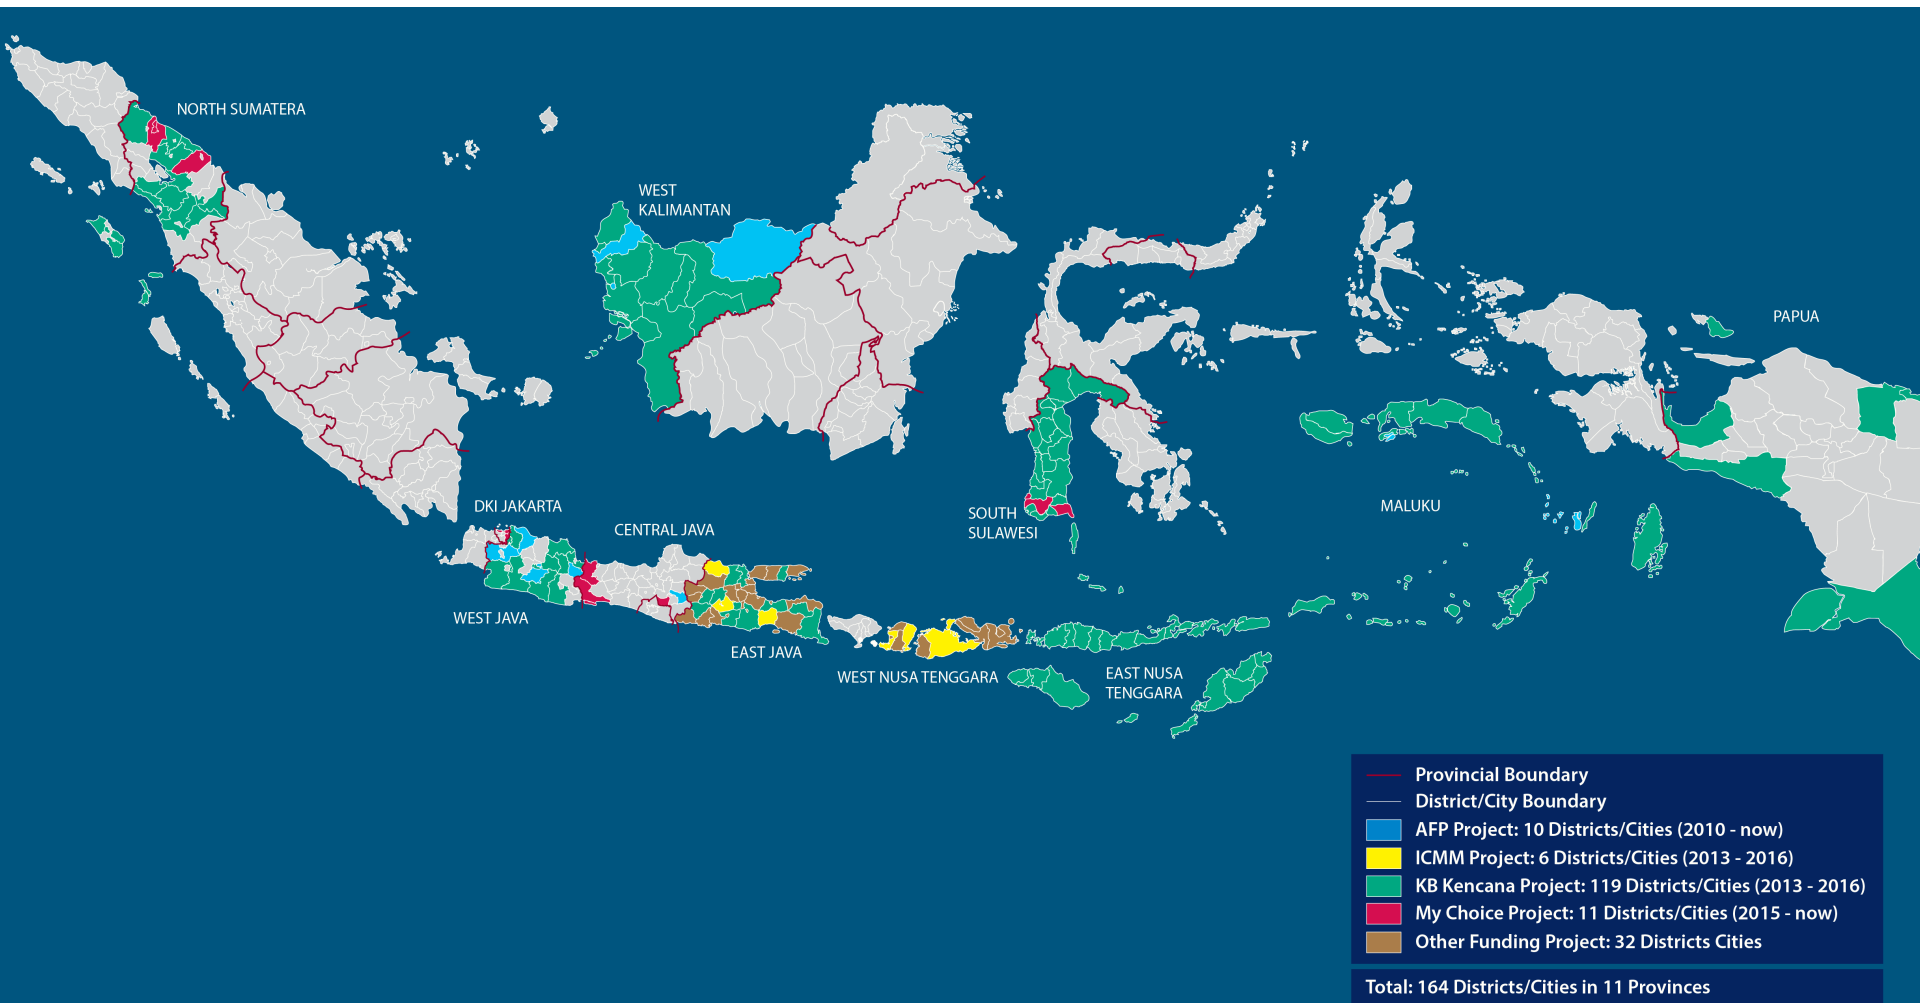

- **JHCCP Indonesia for national advocacy**
- **Yayasan Cipta for subnational advocacy**

Inspiring Healthy Behaviors Worldwide

AFP Approach is Widely Use

Advocacy Quickwins

- 1. AFP SMART approach was adopted nationwide.**
BKKBN adopted the approach and change the name it BKKBN SMART. Together with MyChoice project, AFP contributed in the efforts. (National)
- 2. An agreement was issued to address certification issues.** Medical doctors and midwives who have received trainings between 2006-2011 will be certified. (National)
- 3. 3 PWG and 5 DWG* are still actively running after AFP.**
All districts have been graduated since 2017. (Subnational)
- 4. US\$1,142,512 was allocated in AFP-supported districts** local budget (2018) for FP program.**
(Subnational)

* Out of 6 districts (Karawang, Kuningan, Ambon, Tual, Kapuas Hulu, Bengkayang)

** Five districts (Karawang, Kuningan, Ambon, Tual, Bengkayang)

Diffusion

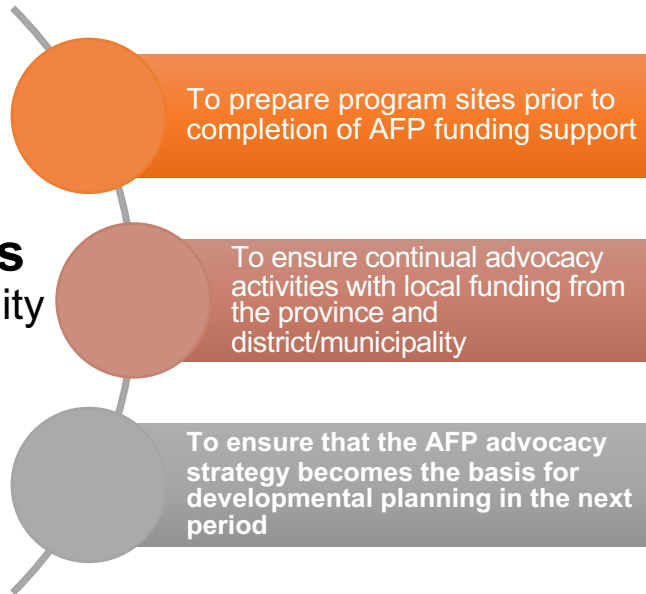

In 2018 – 2019, the AFP SMART approach has been adopted and implemented:

1. in **34 provinces** and **170 districts/cities**
2. by several CSOs, such as **LKNU** (for Diabetes Mellitus project) and **Aisyiah**.

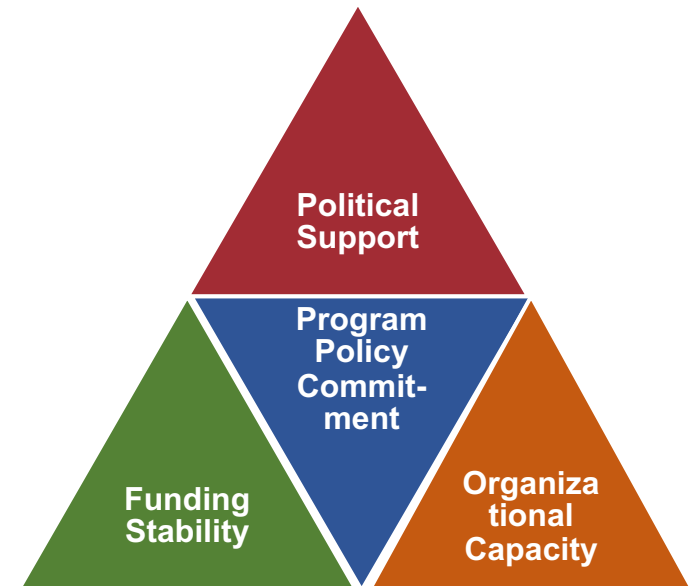

Sustainability

- Program Sustainability Plan in Indonesia

The objectives of AFP Sustainability Plan

Program Sustainability Elements

Sustainability Quickwins
