From Advocacy Wins to Impact

Migori County MoH forms a PPFP TWG to identify system challenges and possible solutions

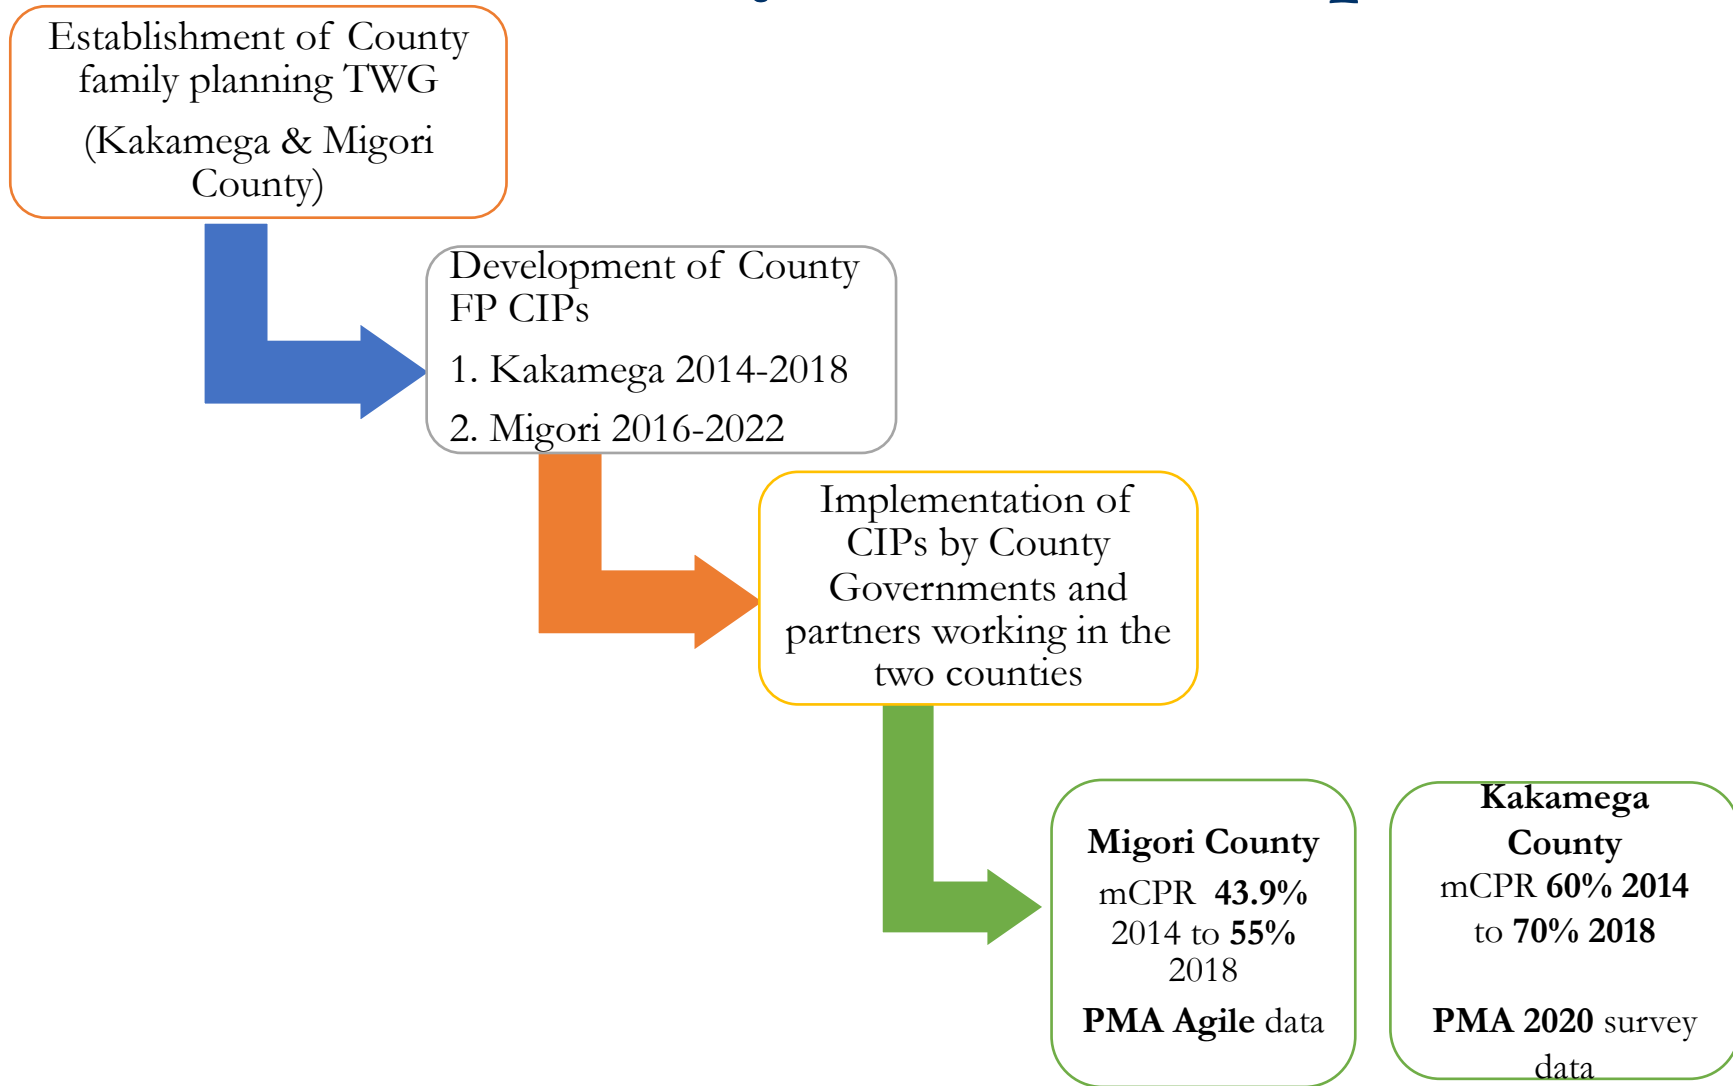

County Director of Health issues circular directing facility in-charges to provide and report on PPFP services

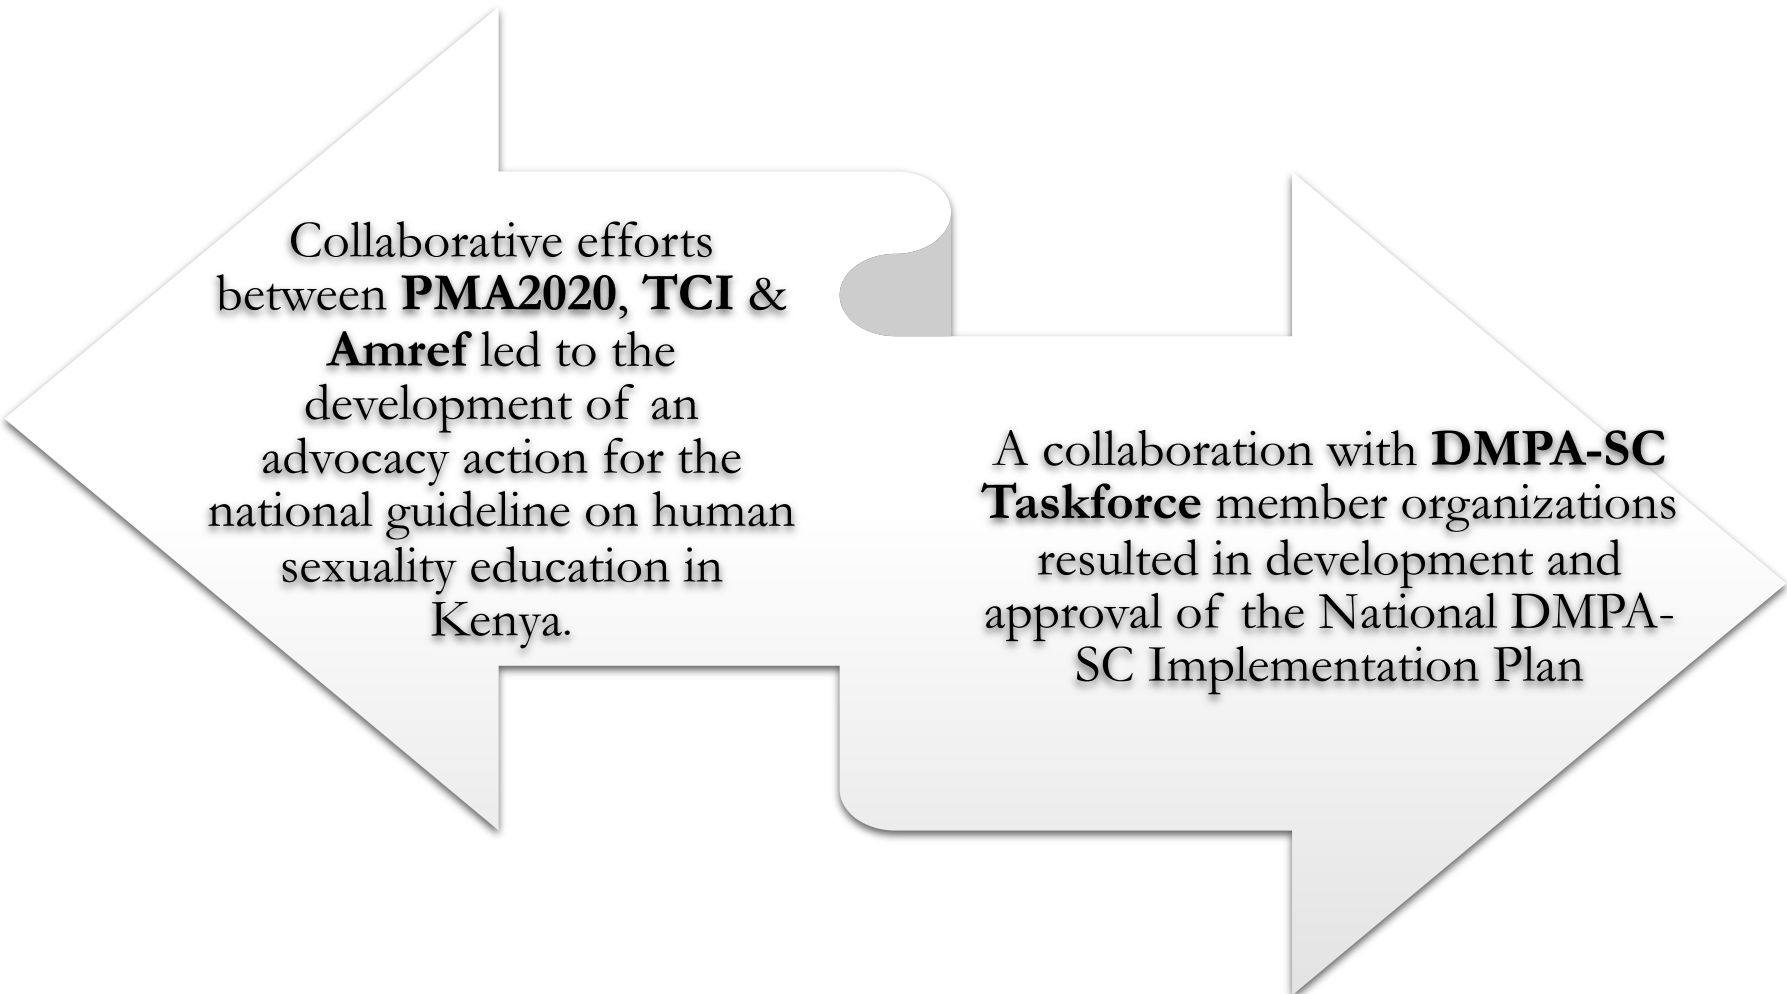

1196 Women received **PPFP** methods within **48 hours** between January to December 2018 in Migori County

From Advocacy Wins to Impact

Diffusion & Collaboration

Collaborative efforts between **PMA2020**, **TCI** & **Amref** led to the development of an advocacy action for the national guideline on human sexuality education in Kenya.

A collaboration with **DMPA-SC Taskforce** member organizations resulted in development and approval of the National DMPA-SC Implementation Plan

Sustainability

Educated Makueni Cabinet on FP. Makueni County Government initiated a draft Reproductive Health and Family Planning Bill. Key elements in the Bill for consideration are;

- **3%** allocation of health budget to FP and RH for every financial year. (Approx. **\$900,000**)
- Ring-fencing FP/RH budget
- Enshrining an accountability mechanism for FP/RH in law.

Thank You

It takes a **'VILLAGE'** -including **YOU**, to make it happen
