Sustaining FP Advocacy Amidst Tides

Halima Shariff, James Mlali, Greysmo Mutashobya, Abubakar Msemu, and Nazir Yusuph

Mumbai, India - April 2019

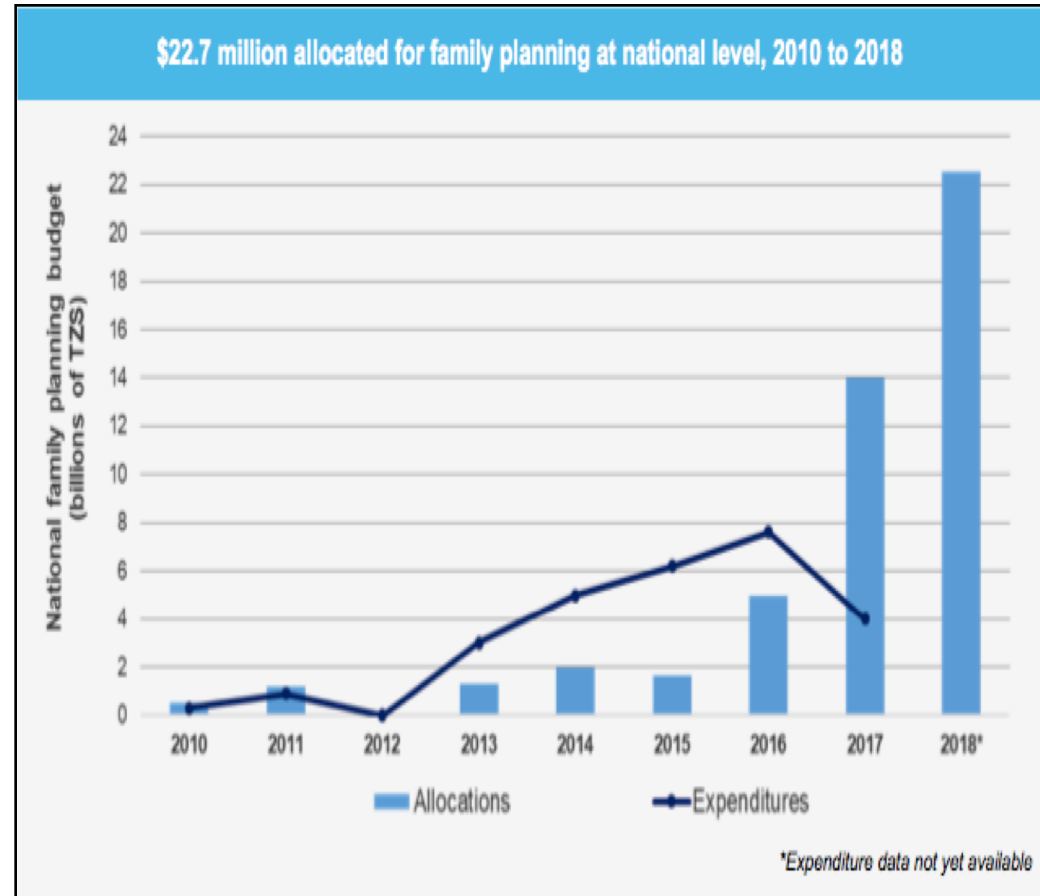

AFP Tanzania's Geographies 2019

Political Landscape for family planning unpredictable, though gradually improving

Major Advocacy Wins

- 56.4 Billion TZS (US \$22.7 million) allocated for FP (2010-2018) from national and sub-national own sources. 2018/19 GoT allocated 22.5 Billion TZS (\$10 m); 45 times the 2010 allocations.
- June 2018, GoT abolished donation fees (0.5% per shipment) charged on RH commodities plus contraceptives

Major Advocacy Wins

PO-RALG issued a directive to **all 184 LGAs** to set targets in Annual Comprehensive Council Health Plans (CCHPs) for:

- Post-Partum Family Planning, and
- Teenage pregnancy reduction

Tafadhali husika na kichwa cha habari hapo juu.

Sera ya Afya ya mwaka 2017 inasisitiza, miongoni mwa mambo mengine, huduma za Afya ya Uzazi kwa wote wanaozihitaji zikiwemo taarifa sahihi ili kulinda Afya ya Mama na Mtoto. Vijana ni miongoni mwa walengwa wa huduma hizi ikiwa ni jitihada za kitaifa za kupunguza vifo vya akina mama/wasichana vitokanavyo na uzazi. Dira ya Tanzania ya Maendeleo 2025, inaokaze kwamba na ulianatikanai wa huduma bora za Afya ya Uzazi ili

- Artists' call for action' against teenage pregnancies in 3 regions through – “*Art Explosion Against Teenage Pregnancy Campaign*” (National Museum)

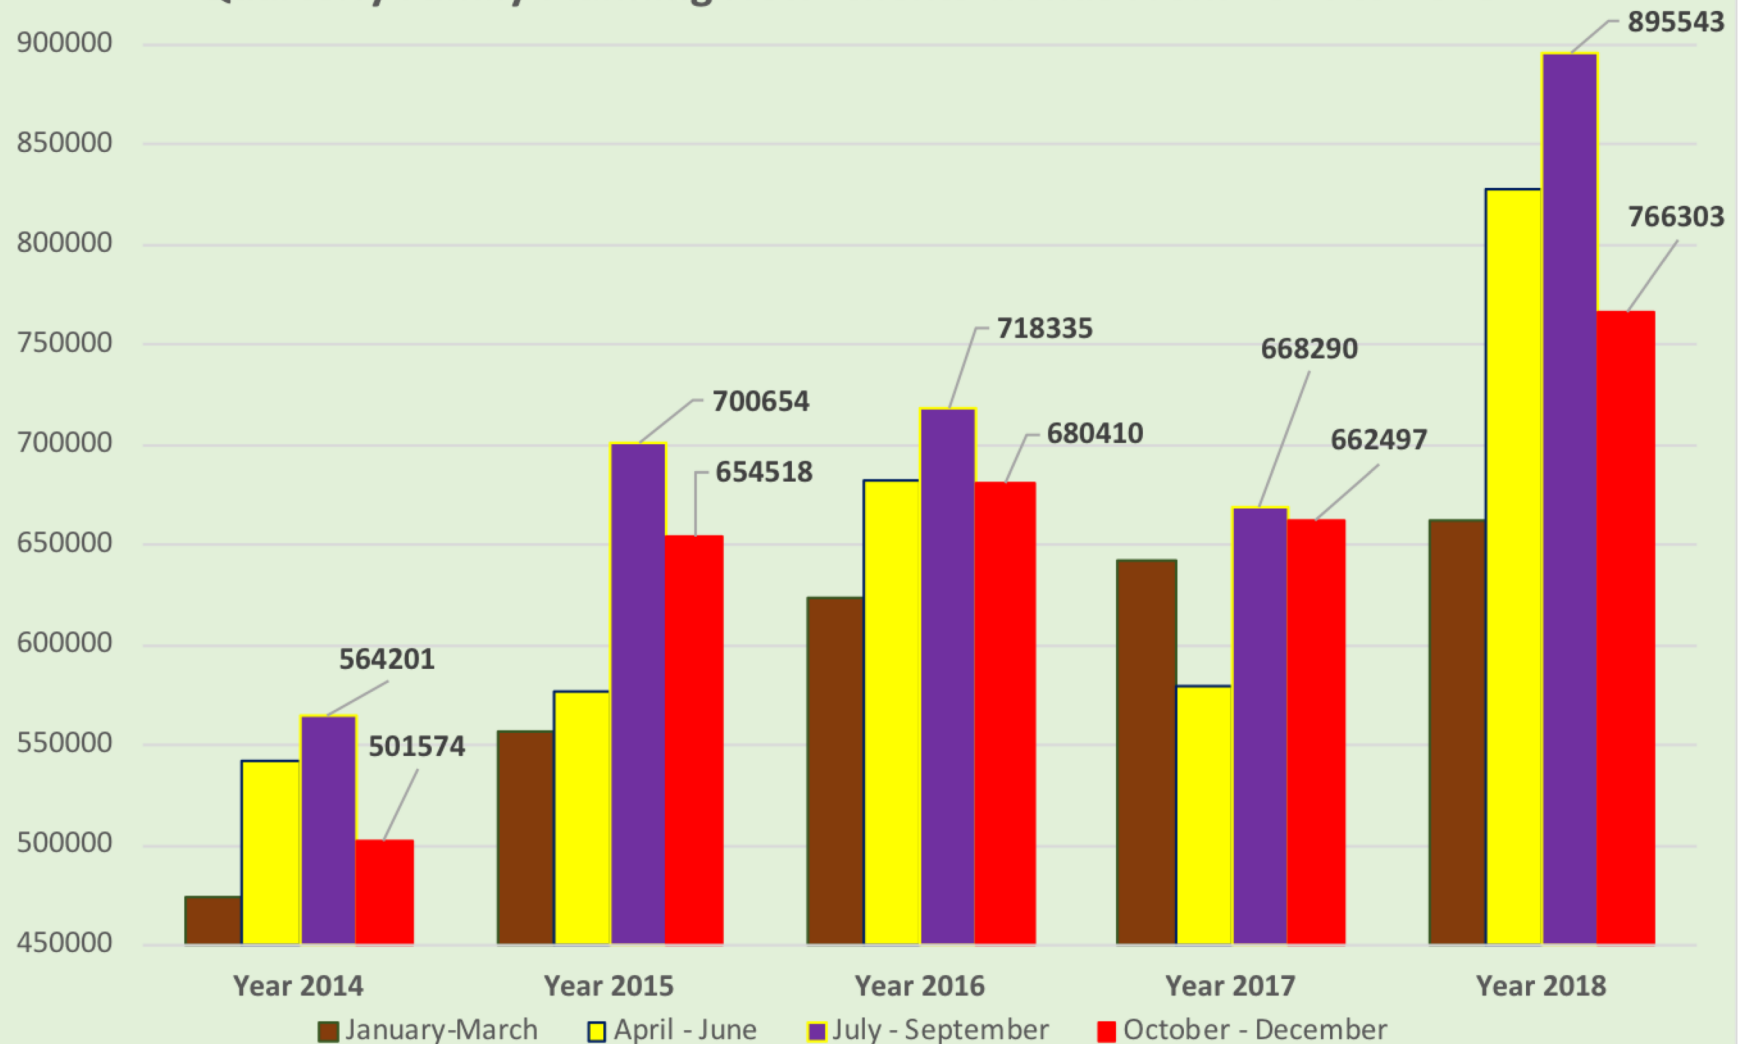

National Museum deploys art to combat early pregnancy

By Guardian Reporter

DEPUTY Minister for Health, Community Development, Gender, Elderly and Children Dr Faustine Ndugulile is set to launch a new programme aimed at combating early pregnancy through art.

Organized by the National Museum of Tanzania (NMT), the programme aims to ensure that the public understands the effects of early pregnancies for women and children.

Quarterly Family Planning New Clients Trends From 2014 to 2018

Family planning access and use has increased across the country: FP users increased from 2.1 million in 2012 to 4.32 million in 2018.
