MAYUGE.**

OUR REF: MED/157

2st October, 2018

To all Health Facility In-charges

RE: **DESIGNATION OF A DAY PER MONTH FOR PROVISION OF YOUTH FRIENDLY SERVICES.**

Following an engagement with district leaders, it was observed that most of our youths are facing difficulties in accessing youth friendly services from our respective health facilities.

The purpose of this communication is to ask you attach this matter with the adequate support required with immediate effect.

Sincerely;

Sr. Kawala Elizabeth
For. District Health Officer/Mayuge

Opportunities:

The skilled multi sectoral
composition of the FPAWG

Collaborative partners

Challenges

Given the limited local revenue base, domestic funding for SRH/FP still remains minimal, hence more financial requests keep coming in

High staff turnover still remains a challenge to the stability of the composition of the DFPAWG
